

MEETING PLACE IN KLAGENFURT

The Art Nouveau treasure in the heart of the old city centre can boast a tradition of hospitality that dates back to 1858. Here, Klagenfurt and the wide world have always met.

The hotel has an excellent, central location — in the midst of Klagenfurt's shopping district and still only a few minutes by car to Lake Wörthersee. If you want to enjoy Klagenfurt's nightlife or spend a few hours in the famous Carinthian casino in Velden, ARCOTEL Moser Verdino is the ideal starting point.
